## **CONDITIONS OF LIMITED WARRANTY**

1. Purchased diesel fuel injection pump must be returned to the original place of purchase within 90 (ninety) days.
2. Purchaser must present original sales receipt as verification of date of purchase.
3. TOMCO sales box in which the replacement diesel fuel injection pump is packaged is your warranty validation box. This limited warranty is effective only if warranty diesel fuel injection pump is returned in the TOMCO sales box...

### **WARRANTY LIMITATIONS**

We do NOT warrant the proper application and installation of the purchased diesel fuel injection pump and/or the competence of the installer. We assume no liability and WILL NOT PAY for LABOR, DAMAGE and/or TOWING claims arising from the installation or use of the purchased diesel fuel injection pump. This Limited Warranty does not apply to any defects caused by negligence after purchase, misuse, collisions or other accidents, or any unauthorized or unreasonable use including, but not limited to, improper application and installation.

We reserve the right to make changes or improvements in our products without incurring any obligation to similarly alter products previously purchased.

We neither assume nor authorize any person, agent, distributor, dealer, service facility or company to change, modify, supplement or amend this Limited Warranty or assume for us any warranty or liability in connection with the remanufacturing, sale, shipment or use of our products. Nor do we authorize any other person, service facility or company to make any qualitative determination as to the fitness of our products. Except and to the extent provided in this Limited Warranty, we make no expressed or unexpressed warranty regarding this product.
